“STAYING ON TOP - FINANCIAL AND BILLING OPERATIONS”
HFMA/ICAHN Workshop
Northfield Inn & Suites, Springfield, IL
Thursday, September 2, 2010

Workshop Objectives

- Provide guidelines and tools to improve financial and health information department operations in effort to better monitor and adhere to critical access hospital billing documentation and financial reporting requirements.
- Provide strategic and operational information on new Medicare program financial requirements and opportunities presented by the new Patient Protection and Affordability Care Act and other healthcare reform initiatives.
- Increase awareness of current financial management practices and issues related to the critical access hospitals and other rural service programs.
- Provide an update of key financial policy and healthcare issues facing critical access hospitals today and immediate future.

Intended Audience

Chief executive officers; chief financial officers; business office and health information management directors and staff; compliance officers and hospital auditors; clinic and physician practice managers; case managers; clinical and ancillary department directors; and accounting and auditing firms associated with critical access hospitals.

Speaker Information

Mr. John Sheehan is a CPA who specializes in serving rural hospitals. He is a partner with BKD, LLP, one of the 10 largest CPA and advisory firms in the country and a past chairman of BKD's Health Care Committee. Mr. Sheehan has over 30 years of experience, including Medicare, Medicaid and operations consulting, strategic planning and other consulting. He is an active member of several national boards including: National Rural Health Association's Government Affairs Committee, Rural Policy Research Institute (RUPRI) Center for Rural Health Policy Analysis -Advisory Panel, Advisory Board for Dennis Barry's Reimbursement Advisor, a national newsletter, and the Federal Office of Rural Health Policy's Rural Hospital Issues Group. Mr. Sheehan is a past president of the Southern Illinois Chapter of HFMA and has served on several task forces of the Illinois Hospital Association, and NRHA and is active in other organizations. He has a degree in accounting and an MBA from the University of Missouri.

Ms. Angela Morelock has 15 years of experience and leads BKD's forensic accounting and investigations team providing fraud investigation and prevention, complex litigation support and forensic accounting services for a variety of business clients. She regularly provides consulting and expert witness assistance to attorneys in a variety of litigation matters. Ms. Morelock and her team have investigated some of the largest fraud cases in the U.S. She is a Certified Fraud Examiner (CPE) and is Certified in Financial Forensics as well as a Certified Public Accountant. Ms. Morelock is a 1993 summa cum laude graduate of Missouri State University, Springfield, with a B.S. degree in accounting.

Ms. Jane Fisher has extensive expertise in large teaching hospitals in Health Information Management and the revenue cycle, working with both Physicians and Hospital staff in the areas of coding, auditing, and training. Ms. Fisher is motivated by the challenges related to documentation requirements facing healthcare providers and enjoys sharing solutions which equip clients with the tools necessary to remove barriers to proper and complete reimbursement.

Dr. Bo Martin is a Director in Navigant's Healthcare Dispute Compliance and Investigations national practice. He is a statistician with experience in a range of analytical methodologies for dispute resolution, litigation support, rate-setting and operational performance measurement. He consults with counsel and clients in the healthcare industry to resolve payment challenges under Medicare and Medicaid programs, worker's compensation and other federal and state programs, and private contracts between payers and providers. Dr. Martin has provided consulting services and developed expert testimony on disputes including class action litigation on billing practices, settlement negotiations with state attorneys general, and anti-trust matters related to alleged collusive pricing and deterrence of entry.

This workshop is co-sponsored by McMahan-Illini Chapter of Healthcare Financial Management Association and the Illinois Critical Access Hospital Network. CPEs provided by HFMA.
